KIWANIANS APPROVE ELEVATION SCHEME

Club Hears Talk by Carson and Pleas of Educator.

Declaring that the higher educational avstern of the state is being menaced by the lack of funds, and that an increased appropriation is needed for their support, Dr. B. D. ana medical school, appealed to the Kiwanis club Thursday noon for its support in gaining an increase in tax levies for the next year. Charts and figures which showed that Indiana spends less than any neighboring state on education were shown by Dr. Meyers, who also deplaced that the increased tax levy will not impose a heavy burden upon any of the tax payers of the

Mayor Carson also spoke to the Kiwanians on the proposed track elevation project, and declared that it was essential to the city that the measure be accorded the support of the business men if it is to become a reality. He declared that the growth of South Bend has been hampered during the past decade by the tracks on Division st. and smid that a new era of development will begin when the track elevation is

The Kiwanis club voted to support the measure.

RIVER PARK

The Christmas party and program at the River Park school Wednesday morning was attended by a number of the parents and friends. The program consisted of a Christmas tree and exchanging of gifts for the kindergarten children Christmas carrols by each room, which was rendered in the hall and a short program in each room. Following the exercises the teachers and pupils had luncheon at the building. Arrangements were made scouts to distribute fruit to the poor families for Christmas, School closed
